The 7th Annual Chesapeake Jubilee BBQ Cook-off
May 18-19, 2012

General Contest Rules:

1. **The Chesapeake Jubilee BBQ Cook-off** competition activities will be governed by **KCBS 2012 Rules** and Regulations and local rules necessary to address local conditions. Please see the **KCBS Cooks Handbook 2012 Rules and Regulations** on www.kcbs.org for the latest changes and/or additions.

The Rules and Regulations governing the **Chesapeake Jubilee BBQ Cook-off** exist to ensure a fair and enjoyable experience for everyone concerned with the festival. Violations of these rules and regulations may result in disqualification, expulsion from the grounds, and / or disqualification from future participation.

2. All contestants are equal. A contestant is one who is engaged in the cooking of meat in a Sanctioned Contest. There are no Professional/Amateur Classifications. Teams will consist of a chief cook and no more than five assistant cooks. The use of a single cooking device by more than one team is not permitted. All preparation, seasoning, and cooking of product shall be done within the confines of the assigned contestant's space.

Each contestant shall supply all of his own meat, cooking ingredients, individual cooking devices (charcoal, wood, portable stoves, etc.), utensils, and prep tables.

Cookers, props, trailers, vehicles, tents, or any other equipment, including generators, may not exceed the boundaries of the team's assigned cooking space.

No in-ground pits may be dug, and no fire may be built on the ground. Burn barrels or similar coal creating devices must be above ground. Barrels and blocks will be available. All contestants must use a coal or ash receptacle, and **under no circumstances may ashes be dumped on the ground**. Receptacles are located around the contest area. If used to make coals, the burn barrels should be screened or otherwise set up NOT to send sparks and smoke onto fellow competitors.

It is the responsibility of the contestant to see that the team's assigned cooking space is kept clean and policed following the contest. All fires must be put out and the ashes disposed of properly. All equipment must be removed from the site. It is imperative that clean-up be thorough. **ALL FIRES MUST BE PUT OUT**. Any team's assigned cooking area left in disarray or with loose trash, other than trash containers, may disqualify the team from future participation at KCBS sanctioned events.

Conduct:

The chief cook will be held responsible for the conduct of his team and guests. Violations of the KCBS or local rules and regulations for the contest may result in disqualification, expulsion from the grounds, and / or disqualification from future participation. Causes for disqualification include: excessive use of alcoholic beverages; use of controlled substances, foul, abusive, or unacceptable language; excessive noise generated from speakers or public address systems; and use of gas or other auxiliary heat sources inside the pit.

1. A "Quiet Time" will begin at 11PM until 7:00 a.m. on contest nights. Excessive use of radios or amplifying equipment will not be allowed.
2. Under **NO** circumstances are alcoholic beverages to be distributed (given away or sold) to the general public by contestants. We are sponsored by **Budweiser**, beer shall be available for purchase.

Chicken 12:00, Pork ribs (loin or spare) 12:30, Pork (shoulder/butt/picnic) at 1:00 and brisket (beef) at 1:30. **An entry will be judged only at the time posted by the CONTEST ORGANIZER. The allowable turn-in time will be five (5) minutes before or after the posted time.** There will be no advance calling for an item. For example, if beef brisket is scheduled for 1:00 p.m., plan to submit it then. KCBS Rules apply.
2. Each contestant **MUST** submit at least six (6) separated and identifiable portions of meat in a container. *Poultry entries, if not cut or portioned into at least six pieces, may be penalized.* If meat is not presented in such a manner, the judge not having meat to taste, will judge taste and tenderness as one (1). All appearance scores will be changed to one (1) for that entry only. This in no way will penalize the other contestants who have properly submitted their entry.
3. Each contestant should submit enough food to feed a team of six to eight hungry judges. If not enough meat is sent in, the judges will be instructed to do the best they can, but not penalize the other contestants they are judging who have properly submitted their entry. Garnish is limited to leaves of GREEN leaf lettuce and / or common curly parsley. **ANY other garnish item in the container will disqualify the entry. NO aluminum foil is allowed in the container. No toothpicks, skewers, foreign material or stuffing are permitted.**
